

What's New This Month at Twiss Dental

There's still plenty of summer left to smile! Inside this month's newsletter, you'll learn about our extended Smiles for Life whitening fundraiser, upcoming wisdom teeth surgery dates, and meet this month's staff spotlight.

We hope you enjoy catching up on what's happening around the office!

Meet Sarah Seifert

We're excited to shine the spotlight on Sarah, our Treatment & Marketing Coordinator, who will celebrate her two-year work anniversary with Twiss Dental next month. As one of the first friendly faces you'll see when you visit our office, Sarah enjoys helping patients navigate their treatment and making sure they feel informed, comfortable, and confident every step of the way. Her favorite part of the job is seeing patients leave with healthy, confident smiles after treatment has restored both the function of their teeth and the beauty of their smile. Watching that transformation—and

the confidence it brings—is what makes her work so rewarding.

Outside the office, Sarah and her husband, Geoff, are celebrating an exciting milestone of their own—20 years of marriage this September. Together they've built a busy, adventure-filled life with their three children: Mary (17), Emma (15), and William (11).

This summer, the family traveled to Italy for an unforgettable experience as Mary represented Team USA in the Mountain Running Cup in Gagliano del Capo. Cheering her on from across the world is a memory they'll treasure for years to come.

When she's not at Twiss Dental, you'll likely find Sarah with a crochet hook in hand. An avid crafter, she's always working on a new project and loves creating handmade gifts and cozy keepsakes for family and friends. Whether she's planning her next craft, spending time with family, or working on creative marketing projects for the practice, Sarah brings creativity, enthusiasm, and a personal touch to everything she does.

We're so grateful to have Sarah as part of the Twiss Dental family and look forward to celebrating many more milestones together!
